2018, July

Nights spent by foreign tourists in Finland decreased by 2.2 per cent in July

Despite big international events, overnight stays by foreign tourists decreased in Finnish accommodation establishments in July 2018. Good 798,000 nights spent were recorded for foreign visitors, which was 2.2 per cent lower than twelve months earlier. The number of nights spent by resident tourists went down by one per cent and totalled almost 2.3 million at accommodation establishments. In all, around 3.1 million overnight stays were recorded at Finnish accommodation establishments, which was 1.3 per cent lower than in July 2017. These figures are preliminary data from Statistics Finland’s statistics on accommodation establishments and they have been collected from accommodation establishments with at least 20 beds or caravan pitches with electricity connection.
